

# Basic Life Support & Heartsaver Instructor Course

Friday November 22, 2024    North Country Hospital  
10:00am-2:30 pm    Education Classroom  
Ground Floor

**Students must register by November 1, 2024.** Students will be provided with instructor course materials and an on-line pre course assignment to be completed **prior to class**. Course must be paid in full when materials are picked up.

**The BLS/Heartsaver Instructor Course is designed to train instructor candidates to conduct provider and most recent courses on AHA guidelines and skills for the specific discipline being taught.**

#### **Instructor Candidate Requirements:**

- Be at least 18 years old
- Agree to align with an AHA Training Center
- Have a current BLS provider card
- Be proficient in the skills of BLS
- Complete pre course assignment prior to class
- Complete an Instructor Candidate Application

#### **How do I maintain my BLS Instructor status?**

- Maintain a current BLS provider card
- Teach 2 BLS classes annually
- Attend/complete updates as required
- Be monitored while teaching every 2 years
- Become a part of the AHA instructor network
- Follow AHA Training Center Policies

Course fee of \$165.00 includes online instructor essentials course, current student workbook, current instructor manual, and cost of instructor card. No fee for NCH employees who qualify.

Must have 6 students for the course to run.
